Dear New Ham Operator:

Congratulations on passing your Technician Class Amateur Radio License Exam. You have now started a lifetime adventure in Amateur (ham) Radio.

One of the first things most hams buy is a hand held (HT) VHF/UHF (2m/440) radio so they can chat with local hams on the air and some even use it as they assist in local safety / public service events.

For a limited time we are offering the **TDXone TD-Q8** VHF/UHF transceiver for a special price of **\$59.95.**

This is a full featured ham radio that is also FCC part 90 certified. Features include:

- 4.5 Watts (nominal) VHF / 4 Watts UHF
- 128 Channel Memories
- Dual Band Display
- CTCSS / DCS
- White Light LED flashlight
- V.O.X.
- IP65 Water Resistant
- Receives 136-174 MHz and 400-520 MHz and FM Broadcast 76-108 MHz

Radio City has been serving the amateur radio community for over thirty years featuring a wide selection of amateur radio equipment from Alinco, AnyTone, Icom, Kenwood, TDX, TTY, Wouxun, and Yaesu and a host of other manufacturers.

Please visit our store in Mounds View, Minnesota or call us **1-800-426-2891** or shop us online anytime at: <http://www.radioinc.com>

If you act now and enter code **QS1314** we'll ship it to you Free to the lower 48 US States. We look forward to assisting you in your new adventures in amateur radio.
