

W4KFC /M3

KIOW many thanks for the
146.88 MHz contact of 15 Aug. 1982
2230 UT. Your signals RST 59+ FM

VIC CLARK
PRESIDENT, ARRL
12927 POPES HEAD ROAD
CLIFTON, VIRGINIA 22024

Glad to meet you during our passage through Hannibal, Cliff. Sorry to see that your city was flooded this past week and hope you weren't personally affected.

Perhaps we can QSO on the lower bands one of these days. I am on our new 10 MHz band from time to time!
