5. Mr. Frenaye, as ARRL Foundation President, noted that the Foundation presented a record number of scholarships in 2013. He asked Board members to encourage more applicants to apply, as several scholarships were not awarded due to lack of applicants meeting the criteria for the scholarship.

6. On the motion of Mr. Edgar, seconded by Mr. Widin, the agenda for the meeting as distributed was ADOPTED.

7. Turning to financial reports, Mr. Niswander presented the Treasurer's report and answered questions. Our portfolio outperformed benchmarks in the first half of the year. The

The Board was on break from 2:24 PM until 2:55 PM. Mr. Chwat left the meeting at this time.

No more than five such awards may be granted per year. A sample of the award was put on display for the remainder of the meeting.

- If a tie vote results in an indeterminate outcome, re-balloting will be conducted between or among the candidates who tied; those candidates with more votes will be declared elected and those with fewer votes will be eliminated from further balloting.
- If fewer than five candidates receive a majority, those who received a majority will be declared elected and re-balloting will occur between or among candidates who received less than a majority.

After discussion, the amendment was ADOPTED.

Mr. Lisenco moved, seconded by Mr. Norris, to further amend the motion by adding the following after the existing text:

COMMITTEE TASKS

The CEO Candidate Screening Committee shall develop criteria for searching for and selecting potential CEO candidates and shall submit these criteria for approval by the ARRL Board of Directors.

After the selection criteria for a new CEO have been approved by the ARRL Board of Directors, the CEO Candidate Screening Committee may delay the start of its candidate search up to a minimum of four months prior to the CEO's retirement. If practical, it is desired that a new CEO will be hired in time to allow a reasonable transition between the retiring CEO and the future CEO.

The CEO Candidate Screening Committee shall recommend a minimum of two (2) CEO candidates at a special or regular ARRL Board of Directors meeting for discussion of their qualifications and election of one of them to the office of ARRL Chief Executive Officer. This discussion and election may be conducted by Webinar or other secure electronic means. ARRL volunteer Officers, and the ARRL CEO shall participate in this meeting.

COMMITTEE OPERATIONS

The CEO Candidate Screening Committee:

Shall select one of its members as chairman and another as secretary, and shall begin its

work as soon as practical.

Shall seek input from ARRL Counsel, the ARRL Officers, the remaining ARRL Directors, and may also seek input from ARRL staff members, government agencies, and outside recruiting agencies.

Shall report monthly to the ARRL Board of Directors, the ARRL Volunteer (unpaid) Officers, and the ARRL CEO.

May hold committee deliberations and votes independent of the times established for meetings of the board of directors or its standing committees.

Shall conduct its work, to the greatest extent feasible using electronic means. In-person meetings are to be held only if the need for one overrides the cost consideration of the meeting. In-person meetings may be held in a manner that minimizes extra expense, such as in conjunction with meetings of the ARRL Board of Directors, or standing board committee meetings at which one or more members of the committee would otherwise attend.

COST

Expenses incurred performing committee tasks are directly related to the responsibilities of the board of directors and shall be charged to the ARRL governance account.

Committee expenses may include: the cost of hiring an independent management consultant, expenses associated with travel and lodging for candidate interviews, and necessary travel and lodging expenses for committee members as required.

Estimated cost to complete these tasks is \$7000 to \$20,000. Any additional expenses will require approval by the ARRL board before they are incurred.

After discussion, this amendment also was ADOPTED.

Mr. Frenaye moved, seconded by Mr. Isely, that the motion be further amended to change the phrase "minimum of two (2) CEO candidates" to read "minimum of three (3) CEO candidates." After discussion, this amendment was also ADOPTED.
