For: THE NATIONAL ASSOCIATION FOR AMATEUR RADIO
Application Serial No.: 97/074,252
Our Ref.: 0470.0018
Your File No.: 4804-2

Dear Mr. Famiglio:

We are pleased to report that the USPTO has issued a Notice of Publication in this application. The Notice of Publication indicates that:

- (1) this application appears to be entitled to register on the Principal Register; and
- (2) the USPTO will publish this application on July 18, 2023.

A copy of the Notice of Publication is attached, along with the Trademark Snap Shot Publication Stylesheet, which reflects the USPTO's electronic record for this application.

We have reviewed the attached Notice of Publication and Trademark Snap Shot Publication Stylesheet. We did not find any errors. Thus, we find this application in good order and ready for legally effective publication.

No action is required at this time. In the unlikely event that a third party seeks to oppose the registration of this trademark, we will let you know.

Sincerely,

/s/Michael Kondoudis
