### **JOYCE BIRMINGHAM, KA2ANF**

It is my pleasure to have served our Hudson Division since 2004, first as Vice Director and now as Director since 2011. I am proud to be representing every one of you, not a select few, but all of you, whose input I hear and respect. The ARRL needs a strong leadership, made up of people with integrity and a wide-ranging knowledge who are ready to meet many future challenges.

I pledge to continue to:

- Work hard to represent you and your concerns to the ARRL Board
- Work with ARRL Staff and Board Leaders to further improve ARRL member benefits
- Support an ARRL grassroots legislative action
- Work with local government leaders to expand and foster continued recognition of Public Service work
- Work to preserve our Amateur Radio spectrum
- Mentor new hams and continue work in amateur radio Education at the Division and Section levels as well as with ARRL Staff
- Encourage active participation in operating events/nets/contesting
- Maintain open and direct communication with all, not a select few

In my professional career (since 1979) I come into daily contact with technologies spanning all of the Communications industries, giving me an ability to intimately know the challenges that could impact amateur radio.

I am not running against anyone nor against any policies. I am running so that I can, with integrity and resourcefulness; continue to deal with matters before the Board while giving everyone in our Division nothing less than the positive representation they deserve. Along with Vice Director Hudzik, W2UDT, he and I look to continue to be your "Hudson Division Team"!

I firmly believe the future holds abundant opportunities for Amateur Radio. I humbly seek your vote for ARRL Hudson Division Director.

Thank you,  
Joyce KA2ANF
