Vote For: Mike Lisenco, N2YBB

MIKE LISENCO, N2YBB

I'm Mike Lisenco N2YBB and I would like to be your Hudson Division Director.

Amateur Radio is in trouble!

Our spectrum is in danger of being lost, our antennas are at risk and we are subjected to unreasonable land use rules. How long before we lose what we have?

We must be proactive, not reactive!

We must be politically active on a local, "grass-roots" level.

I put together the team that met with Congressman King!

When our "leadership" was wringing hands, asking us to write Congress about HR 607, I took the lead and we talked to Rep. King, getting the protection we needed!

Like you, I come from the trenches!

I've spent years in the field organization, managing ARES, RACES, and the NLI Section. I have the experience. I have the time and energy to devote to this job. And I will bring the same leadership skills that I have shown on the section level to the entire Division.

I'm an active ham!

- Ham for nearly 20 years
- Extra class license
- Avid DXer and contester
- Member - Long Island DX Association (LIDXA)
- Member - The Order of Boiled Owls of New York
- Member - Yankee Clipper Contest Club (YCCC)
- Past Vice President - Kings County Radio Club

Awards:

- 5 Band DXCC; DXCC in Mixed Mode, Phone, CW, and RTTY
- WAS, WAC, VUCC, CQ WAZ, and the Triple Play Award
- A1 Operator's Club

We can't sit back waiting for something to happen to us!

For some, the status quo is fine. But it is not good enough for our division! We deserve better. We are all equal members of the ARRL. For too long, leadership has not represented members interests. I know that I can

DirectVote Election: Candidate Bios

represent our interests best. It's time for a change.

I ask for your support and vote.
