Active on the air for 52+ years tickling the Ionosphere with radio waves.

If elected to serve as ARRL Northwestern Division Director, I will help lead the Communications decision making policies, process and new programs for your future ham radio enjoyment.

All of the future technical advancements are just waiting to be explored by ham radio innovators such as you and I can help make those technical needs, become tomorrow's reality. (i.e. Ham-Radio Mesh-Networking, Solar-Powered-Stations, Antennas, SDR and more)

I talk Technical. If elected I will be devoting my time and energy, listening to input from the rest of the Northwestern Division, just as I worked for legislation with the Eastern and Western Washington "repeater operators and users" needs, involving the political scene of Tax Relief Bill SHB-2335 in Olympia WA. (2007)

ARRL-VHF-PAM (phone-activities-manager) for Washington State, era late 60's and early 70s under SCM Harry W7JWJ.

ARRL-VHF-PAM for Alaska, era 1976-1980 serving under SCM Roy KL7CUK.

Favorite bands are 6 and 20 meters.

Favorite events are Field Day in June, and CQWDXC in October,

Riding the Sunrise-Sunset Terminator Grey-Line to exotic DX places, (W1AW/KL7)

Mike and Key Flea-Market in March,

SeaPac ARRL Northwestern Division Convention at SeaSide Oregon, in June.

KL7BB Extra class license (1977 to present) "KN7MWC in 1960"

I am live on the air, RF active and Ionization approved.

Please Vote for Bill Balzarini KL7BB as ARRL Northwestern Division Director 2013-2015
