

## ARRL Southeastern Division Director!

Greg Sarratt, W4OZK

### **Member Driven•Proven Performance•Integrity•Experience**

**It is my honor to represent the ARRL Southeastern Division as your Director. Thank you for your continued support and confidence in me.**

**As ARRL Director, one of the things I enjoy most is meeting fellow amateurs throughout our Division. I represent our Division with my proven performance, integrity, leadership and experience.**

**Serving as Director of the ARRL's largest Division has been an invaluable experience and responsibility for me. My travels around the Division and work on several ARRL committees has been a great opportunity to help advance amateur radio. I enjoy meeting many fine amateurs all across the Division and learning about your activities, ideas and concerns, which has helped to shape my successful member-driven thinking. I attend many hamfests**

Conference.

I have gained valuable experience serving on several ARRL committees such as the Programs and Services Committee, the Administrative and Finance Committee and the ARRL Ethics and Elections Committee. I served as chairman of the ARRL Narrowband Committee and chairman of the ARRL Ethics and Elections Committee twice and have served as liaison to the VHF/UHF and Emergency Communications Advisory Committees. I currently serve on the ARRL Programs and Services Committee and am the liaison to the Emergency Communications Advisory Committee.

Emergency Communications continues to be one of my most active areas of amateur radio. I am proud to serve as a member of National Hurricane Conference Committee, Alabama Homeland Security Interoperability Exercise Design Committee and member of FEMA Region IV Emergency Communications Coordination Working Group.

In addition, I pride myself on being an avid emergency communications leader, new technology promoter, competitive contest participant and I encourage a new generation of hams to join our hobby by establishing youth programs and working to ensure their success.

Together we can continue to make a positive impact for amateur radio! I respectfully ask for your vote to re-elect me, Greg Sarratt, W4OZK, as your ARRL Southeastern Division Director. Thank You for your vote and support.
