

Report of the Second Vice President

ARRL Board of Directors

July 2018

I am very honored to have been elected to serve as the Second Vice President, and look forward to working with the Officers, Directors, Vice Directors, management and Staff.

President Roderick has assigned me to work on the Official Observer Program Study Committee, and I have participated in the recent on-line meeting of the Programs and Services Committee, as well as spending time on the telephone with committee chairman Hollingsworth.

I participated in the April meeting of the Executive Committee in Windsor, as well as the e-mail discussions throughout the year.

I was pleased to attend the donor dinner in Dayton, expressing my appreciation to many of the attendees for their support of the ARRL.

I attended Hamvention at Xenia, and spent many hours at the meet and greet area, something I enjoyed very much.

I'm looking forward to seeing everyone at the Second Board Meeting, as we move forward to better serve our members and amateur radio.

Respectfully submitted,

Bob Vallio, W6RGG
