

# Comments to the “Third Party Advertising Motion” by Jim Schilling, KG4JSZ, Vice Director – Southeastern Division

I am concerned with the type of advertising that this motion may allow given that it states:

*“ARRL staff is immediately authorized and directed to solicit and accept advertising of any form — including print, digital and sponsorships — from non-Amateur Radio advertisers, excluding pornography, criminal, and fraudulent enterprises.”*

My main concern is that no guidance is provided as to the advertising that will be run and what message it will say about the organization. **Are we selling out for a few bucks?**

The following is advertising, from another organization’s magazine, that I suspect would be targets of our current members. My hope is this is not the intent of this motion.

# SECRETS OF A BILLIONAIRE REVEALED

*"Price is what you pay; value is what you get. Whether we're talking about socks or stocks, I like buying quality merchandise when it is marked down."*

— wisdom from the most successful investor of all time

We're going to let you in on a secret. Billionaires have billions because they know value is not increased by an inflated price. They avoid big name markups, and aren't swayed by flashy advertising. When you look on their wrist you'll find a classic timepiece, not a cry for attention— because they know true value comes from keeping more money in their pocket.

We agree with this thinking wholeheartedly. And, so do our two-and-a-half million clients. It's time you got in on the secret too. The *Jet-Setter Chronograph* can go up against the best chronographs in the market, deliver more accuracy and style than the "luxury" brands, and all for far, far less. \$1,150 is what the *Jet-Setter Chronograph* would cost you with nothing more than a different name on the face.

With over two million timepieces sold (and counting), we know a thing or two about creating watches people love. The *Jet-Setter Chronograph* gives you what you need to master time and keeps the superfluous stuff out of the equation. A classic in the looks department and a stainless steel power tool of construction, this is all the watch you need. And, then some.

**Your satisfaction is 100% guaranteed.** Experience the *Jet-Setter Chronograph* for 30 days. If you're not convinced you got excellence for less, send it back for a refund of the item price.

**Time is running out.** Now that the secret's out, we can't guarantee this \$29 chronograph will stick around long. Don't overpay to be underwhelmed. Put a precision chronograph on your wrist for just \$29 and laugh all the way to the bank. Call today!

*"This watch spews quality at every angle. This will be my new everyday watch for quite a while. Thank you very much Stauer."*

# Stand Up Straight and Feel Better

Discover the Perfect Walker™, the better way to walk safely and more naturally

It's a cruel fact of life, as we age, gravity takes over. Our muscles droop, our bodies sag and the weight of the world seems to be planted squarely on our shoulders. We dread taking a fall, so we find ourselves walking less and less- and that only makes matters worse.

Well, cheer up! There's finally a product designed to enable us all to walk properly and stay on the go. It's called the Perfect Walker™, and it can truly change your life.

Traditional rollators and walkers simply aren't designed well. They require you to hunch over and shuffle your feet when you walk. This puts pressure on your back, your neck, your wrists and your hands. Over time, this makes walking uncomfortable and can result in a variety of health issues. That's all changed with the Perfect Walker™. Its upright design and padded elbow rests enable you to distribute your weight across your arms and shoulders, not your hands and wrists. Helps reduce back, neck and wrist pain and discomfort. Its unique frame gives you plenty of room to step, and the oversized wheels help you glide across the floor. The height can be easily adjusted with the push of a button to fit anyone from 5' to over 6'. Once you've reached your destination you can use the hand brakes to gently slow down, and there's even a handy seat with a storage compartment. Its sleek, lightweight design makes it easy to use indoors and out and it folds up for portability and storage.

Why spend another day hunched over and shuffling along. Call now, and find out how you can try out a Perfect Walker™ for yourself... in your own home. You'll be glad you did.

# The Invention of the Year

The world's lightest and most portable mobility device

The Zinger folds to a mere 10 inches.

*Once in a lifetime, a product comes along that truly moves people.*

*Introducing the future of battery-powered personal transportation... The Zinger.*

Throughout the ages, there have been many important advances in mobility. Canes, walkers, rollators, and scooters were created to help people with mobility issues get around and retain their independence. Lately, however, there haven't been any new improvements to these existing products or developments in this field. Until now. Recently, an innovative design engineer who's developed one of the world's most popular products created a completely new breakthrough... a personal electric vehicle. It's called the **Zinger**, and there is nothing out there quite like it.

*"I can now go places and do things that I wasn't able to go or do before. It has given me a new lease on life and I am so happy I found it!"*

*-Dana S., Texas*

The first thing you'll notice about the **Zinger** is its unique look. It doesn't look like a scooter. Its sleek, lightweight yet durable frame is made with aircraft grade aluminum. It weighs only 47.2 lbs but can handle a passenger that's up to 275 lbs! It features one-touch

folding and unfolding—when folded it can be wheeled around like a suitcase and fits easily into a backseat or trunk. Then, there are the steering levers. They enable the **Zinger** to move forward, backward, turn on a dime and even pull right up to a table or desk. With its compact yet powerful motor it can go up to 6 miles an hour and its rechargeable battery can go up to 8 miles on a single charge. With its low center of gravity and inflatable tires it can handle rugged terrain and is virtually tip-proof. Think about it, you can take your **Zinger** almost anywhere, so you don't have to let mobility issues rule your life.

Why take our word for it. You can try the **Zinger** out for yourself with our exclusive home trial. Call now, and find out how you can try out a **Zinger** of your very own.

# Weird Herb Shocks Doctors With Relief of Leg and Feet Pain, Burning, Tingling, Numbness

**6 clinical studies show it is effective. Lost but now re-discovered. Thousands of new users report amazing relief from leg and feet problems in just 30 to 90 days - with no side effects. Available in all 50 states without a prescription.**

A re-discovery from the 1600s is causing a frenzy within the medical system. A weird herb has been shown in six clinical studies (and by thousands of users) to be very effective for leg and feet pain, burning and numbness - with no side effects - at low cost - and with no doctor visit or prescription needed.

This weird herb comes from a 12-foot tall tree that grows in Greece and other countries in Europe. In the old days, people noticed that when their horses who had leg and feet problems ate this herb - it was almost like magic how quickly their problems got much better. They called it the "horse herb". Then somehow with Europe's ongoing wars, this herbal secret got lost in time.

"It works for people who've tried many other treatments before with little or no success. Other doctors and I are shocked at how effective it is. It has created a lot of excitement" says Dr. Ryan Shelton, M.D.

Its active ingredient has been put into pill form and improved. It is being offered in the United States under the brand name Neuroflo.

## WHY ALL THIS EXCITEMENT?

Researchers have found an herb originally from Greece that has been shown in six placebo-controlled medical studies (543 participants) to be effective and safe. This natural compound strengthens blood vessel walls and reduces swelling to stop the pain and suffering.

Poor blood flow in the legs and feet is one of the common problems that develops as we age. Millions of Americans suffer from neuropathy and chronic venous insufficiency (CVI), edema, and other leg/feet problems - millions have these but are undiagnosed.

Today's treatments don't work for a high percentage of people - and they have side effects that make them hard to tolerate or that people do not want to risk. This includes prescription drugs, over the counter pain pills, surgery and compression.

Already popular in Europe, this natural herb (*horse chestnut seed extract*) is taking America by storm since it was announced last week.

## HOW IT WORKS

Here's why you have pain now: Your arteries have weakened. Your arteries can't carry enough blood, nutrients and oxygen down to your legs and feet. This damages your nerves and causes your burning, tingling and numbness.

The herbs in the pill Neuroflo strengthen your arteries that carry blood, nutrients and oxygen to your feet and legs. It improves your circulation so oxygenated blood goes to the nerves and repairs them. This makes your nerves grow stronger so your pain fades away and your legs and feet feel much younger again.

Until now, scientists could not combine these herbs into one pill without losing their full potency, but finally, they have succeeded.

Katerina King from Murrieta, California says, "I had hands and feet tingling and snapping and burning feeling. It made my life very uncomfortable. I had a hard time walking, my legs felt like they each weighed 50 pounds. Once I got in my car and my feet felt so heavy I couldn't even drive the car. With Neuroflo I have no more tingling, cold or burning painful legs and feet. It went away."

## WHAT DOCTORS ARE SAYING

"Now I finally have a natural solution I can recommend to my patients who suffer from leg and feet problems and pain. I'm delighted because previous treatments were not effective, but Neuroflo has worked for every one of my patients with no side effects" says Dr. Eric Wood, N.D.

**Dr. Ryan Shelton, M.D. says "This is new and different.** It works for people who've tried many other things before. It is natural with no side effects. Don't give up hope for your leg and feet pain, burning, tingling and numbness. This pill is working for countless people after other treatments have failed them. I highly recommend it."

**RE-DISCOVERED LEG AND FEET PROBLEM SOLUTION:** In Greece in the 1600s, this herb was originally called "horse herb" because it was fed to horses with ailing legs. It has now been re-discovered and is giving soothing comfort to Americans who have leg and feet pain, burning, tingling and numbness.

"Neuroflo is a terrific choice for people with leg and feet issues. The clinical trials in support of this herb show it is very effective for safe and fast relief," said Dr. Wood, a Harvard trained doctor who has appeared on award winning TV shows.

Now you can get a good night's sleep - peaceful, restful sleep - with no pain, tingling, zinging, itching or zapping. Improve your balance and coordination. No side effects - safe to take with other medications. Enjoy your favorite activities and hobbies again. Be more active, have more fun, enjoy life more. Don't risk damage to your feet and hands. Don't let it get dangerously worse.

Neuroflo is GUARANTEED to work for you - or you will get full refund with a 90-day unconditional money-back guarantee. It is NOT sold in stores. No prescription or doctor visit is required.

## UP TO 50% OFF FOR THE NEXT 10 DAYS

This is the official release of Neuroflo in the state. Therefore, everyone who calls within the next 10 days will receive up to 50% OFF their first order. A toll-free hotline number has been set up for local readers to call for up to 50% OFF savings. The number will be open starting at 7:00 am today and only for the next 10 days.

All you have to do is CALL TOLL-FREE **1-800-515-9986** and provide the operator with the special discount approval code: **NEF158**.
