Chief Executive Office

Reported by Carla Pereira, KC1HSX

Barry Shelley and a small group of managers have begun interviewing candidates for the Lifelong Learning Manager position.

Carla Pereira completed pricing negotiations with the Marriott Windsor for the July Board Meeting. Advanced preparations for the meeting have begun.

Dan Henderson continues preparations for April's Executive Committee meeting to be held at the Marriott Windsor.

Communications

Reported by David Isgur

David Isgur worked with Dan Henderson, and Chris Imlay, on talking points to explain the reasoning behind ARRL's submission of a petition to the FCC to provide enhanced HF privileges to Technician

class licensees. The finished product was included in the ARRL Letter and sent to officers, directors, vice directors and section managers.

David provided assistance to Mike Corey, in putting out a call for volunteers to mentor and teach the EC001 course. The article was posted to the ARRL News web site and on the ARRL feeds on Facebook, Twitter, Instagram, and LinkedIn.

David also helped edit and distribute messages about the beginning of beta-testing on the ARES Connect volunteer management and reporting system.

Michelle gathered material from a number of sources, including members of the ARRL Lab and of QST, to post items to our social media feeds in celebration of National Pi Day on March 14 (3/14). Michelle also worked with folks from the ARRL Lab, Marketing/Customer Service, and VEC department to make a video to celebrate National Pi Day. Steve Ford, Zak Lau, and Joe Carcia participated in #NationalPiDay by sending content for social media. The posts can be found on ARRL's Facebook and Instagram.

Michelle also worked with Sue Fagan, KB10KW, and Jackie Ferreira, Ferreira, KB1PWB, to update the presentation on the monitor in the lobby of ARRL Headquarters, and she was at W1AW to take photos of the members of the Warren County (NY) Radio Club working the station.

Reminder: Board members who are interested in volunteering as part of the ARRL team at Hamvention should complete our online registration before March 31, so we can meet the deadline for our hotel room block. The online registration form will help us organize room reservations, badges, apparel and staffing for the event. Even if your plans are not entirely committed, please complete the form with your tentative information SO we can develop counts for hotel bookings. Register online http://www.arrl.org/hamvention-2018-arrl-team-registration.

ARRL materials were assembled to help support Contest University Dayton – which will be held Thursday, May 17, preceding Hamvention. We included sample copies of *NCJ* to help promote subscriptions among these active contesters.

Bob Inderbitzen drafted a story summarizing <u>ARRL exhibits</u>, <u>activities</u>, <u>and presentations</u> for 2018 Hamvention. Thanks to Rick Lindquist for editing and publishing the piece.
