

DX Advisory Committee Report

June 30, 2016

to the

**American Radio Relay League
Board of Directors
And Programs and Services Committee**

Submitted by:

**Dr. Gary E. Jones, W5FI
Chairman, DX Advisory Committee**

To the Members of the PSC:

From: DXAC – Prepared and submitted by Gary E. Jones, W5FI, Chairman

Date: June 30, 2016

Subject: Mid-Year Report of the Activity of the DXAC

The past 6 months has been a very quiet time for the DXAC as the committee has received no formal or informal taskings or requests for information/opinion from the Program and Services Committee. Aside from our surprise at being given minimal notification that the Awards Committee had decided to delete Kingman Reef from the DXCC entity list before it was announced publically, we have had virtually no activity.

As such, the DXAC remains available for any future task assignments from the PSC or the Board of Directors.

Respectfully submitted: 73

Gary E. Jones, W5FI
Delta Division DXAC Representative
DXAC Chair
